About Us

Pizza A Modo Mio wasn't always the restaurant that it is now. The story began with Me, Julie, and a truck... Originally from Brooklyn, NY, I started working with pizza at the age of 15 years old while living in Long Island and then moved to Charleston, SC, where I quickly fell in love and put down roots. The one thing I longed for after relocating was traditional pizza. So I took a leap of faith and opened up a food truck. The demand was so great that the rest is history...
