ABOUT US

Pizza A Modo Mio wasn't always the restaurant that it is now.
The story began with Michael, Julie, and a truck...

Originally from Brooklyn, NY, Michael started working with pizza at the age of 15 years old while living in Long Island and then moved to Charleston, SC, where he quickly fell in love and put down roots. The one thing he longed for after relocating was traditional pizza.

So Michael took a leap of faith and opened up a food truck.
The demand was so great that the rest is history...
